## OCB

We would like to start off by congratulating our now Cadet Cornet BC Robert Jackson, and our now cadet Major S3 Bethany Andrade for placing 3rd in OCB!!

Thanks to our 3 cadets who put in their all and dedication into this competition. They once again brought honor and pride to our battalion.

**MAKE SURE TO CONGRUATULATE THEM!**

## 2024

### DRILL TEAM

Our drill team once again proved that they are only advancing and never looking back. They showed improvement and strength even though they only had a couple of weeks to practice after their last competition.

### COLOR GUARD TEAM

Even though our color guard has to focus on 3 different teams at once we can confidently say they are always fully prepared. Both our primary and secondary team did an outstanding job.
