

JANUARY

WELCOME BACK!

Welcome Dr. Shetzer
We would like to give a warm welcome to our new principal Dr. Shetzer! We are excited to work with him and end the rest of the school year successfully!

JANUARY RECAP

BUTLER FIELD HOUSE

January 10th, 2024: The color guard primary team visited the Butler field house and got to meet various different military color guards. They were able to talk to the color guard from each branch and learn more about their position in the military.

MILITARY CAREER DAY

January 11th, 2024: Some of our JROTC cadets visited the Delmar Field house for Military Career Day. They were able to walk around and see different college booths and even hear from their guest speakers. They learned about the different scholarships their JROTC programs offer to make the process of finding their ideal college/university easier.

SERVICE LEARNING PROJECT

WED 30TH - THUR 31ST

Cadet Service Learning project is an opportunity for cadets to give back to their community while learning and earning different skills in the process. Cadets are given the task to come up with a project that is organized, efficient, and successful. By doing this cadets get to grow their leadership skills and social skills. The squad with the best project gets to represent their platoon and go against other platoons to determine how the battalion will be giving back to our community this year.

UNIFORM INSPECTION

Our first uniform inspection of the semester will be on Wednesday Jan. 31st for A day and Thursday Feb. 1st for B day. Please make sure to have your uniform in order and if you are missing anything message your platoon's S4 assistant. If you have questions about how to organize your uniform feel free to ask your squad leader, platoon leader, or platoon sergeant.

TEAM PRACTICES

All of our JROTC teams have been practicing hard every day after school to prepare for our up coming competition. We are also excited for our flag folding team which will be competing for the first time this year at Stafford.

UP COMING EVENTS

We are so excited to announce our annual JROTC military ball! This is a evening where we like to thank our staff for all their hard work and dedication through out to year. It is also the time where we honor our seniors for everything they have done for the battalion. The ball will take place April 5th 2024 you don't want to miss it!

MILITARY BALL

STAFFORD COMPETITION

The competition will be happening on February 10th at Stafford high school. The Drill, Color Guard, and Flag folding team will be competing. Don't forget to wish them good luck!

VERTICAL RAISE

Our second fund raiser of the year will be starting in February, stay in tune for more updates.
