JROTC APPRECIATION LUNCHEON  
BATTALION INSPECTION  
STAFF LUNCHEON

## JROTC Annual Appreciation Luncheon

HSLJ 15TH Battalion Staff hosts and organizes a luncheon that involves all our cadets and their families. This event consists of food, games, and just an overall good time to appreciate all their hard work and dedication to the JROTC program.

Leadership and staff were very welcoming not only to our students but as well as to all the parents and family members that joined us on this day.

We are very impressed to have seen an increase of engaging participation that this event held. We can proudly say we had a “full house” filled with joy and positive attitude all around.
